24th September 2021

Dear parents/guardians,

Mrs Noctor has assigned me the very important task of putting together the Friday letter this week, so here goes...

It's been another lovely week in school! All of the classes have now completed their displays which showcase their work from the "Little People, Big Dreams" theme. The photographs below show parts of the Year 1 display, can you guess who they have been studying?

Book Fayre

The Book Fayre will be arriving in school on Monday and will stay for one week in the Junior Hall. The opening times are as follows:

Monday 3.30pm – 4.00pm

Tuesday 8.40am – 9.00am (no after school session due to staff training)

Wednesday 8.40am – 9.00am & 3.30pm – 4.00pm

Thursday 8.40am – 9.00am & 3.30pm – 4.00pm

Friday 8.40am – 9.00am

We look forward to seeing you there!

Start of Day

Please can I remind parents that the school gates open at 8.40am and the doors open at 8.45am when the children are welcomed into the classroom by a member of staff. It is important that your child has arrived in school by 9.00am ready for registration.

Sacramental Programme

For those children who are already of the Sacramental Programme, the final TEAMS meeting will take place this Saturday 25th September 4pm. A link to the meeting is on the Sacramental Programme TEAM. We will be sending information out about this year's Sacramental Programme in the coming weeks for the children in Year 3.

Fun in the park

It was really nice to see some photos from a mini sports day which was organised by Zack's mum during the Summer Holidays. It is clear from the photos that the children had lots of fun!

Well done Zach and Olly!

Nut Allergies

As we have children in school who are allergic to nuts, we would ask that parents do not send in any food that contains nuts.

Mrs McDermott & The Manchester 10km

I would like to wish Mrs McDermott the best of luck for her charity run this weekend as she takes part in the Manchester 10km. Mrs McDermott is running for the Friends of Frankie Charity who raise money on behalf of the SUDC (Sudden Unexplained Death in Childhood). If you would like to support Mrs McDermott, here is the link,

[Friends of Frankie Grogan is fundraising for SUDC UK \(justgiving.com\)](https://www.justgiving.com/Friends-of-Frankie-Grogan-is-fundraising-for-SUDC-UK)

Thank you for your continued support,

Mrs Whittaker
Deputy Headteacher
