Dear parents/guardians,

What a wet finish to the week! Unfortunately, we had to cancel a couple of Sports Days, but we will try to make up for that in the coming weeks. I know that those children who managed to have their Sports Days, really enjoyed it.

Next week, we are promised sunshine, so our fun days will be able to take place as planned hopefully.

Fun Days

Children are allowed to come in their own clothes, but there is a chance they may get wet. We will be having fun games and activities and a session with the Bhangra Boys. Please ensure that your child has a sun hat and sun cream on their day.

The cost is £5 per child and the monies raised will go towards experiences / activities for the children next year.

KS2 Fun Day – Tuesday 29th June.

EYFS and KS1 – Wednesday 30th June

Sacramental Programme

A reminder that there will be a TEAMS meeting for the children and parents, who have chosen to participate in the Sacramental Programme this year. The meeting is on TEAMS tomorrow (Saturday) 26th June at 4pm.

School Crossing Patrol

We have been informed that there will be no school crossing patrol on duty all day on Monday 28th June at the Chester Rd/ Davyhulme Rd junction.

Lockdown Memories

Before the holidays, we sent out a letter asking for Lockdown memories. We would like to thank those parents that have sent responses already – they are fantastic!

Any families that have not yet sent work in, who wish to do so, please send your A4 sheet to your child's class teacher via Teams, or to the school's office email. Alternatively, your child can hand it in to their class teacher.

Manchester Evening News Tokens

Mr Lundy is currently collecting tokens, from the Manchester Evening News newspaper, to receive a new sports kit for our school. If you have any tokens, please send them into school with your child, they will be gratefully received.

Nursery Places Reminder

We still have part-time and full-time Nursery funded places available. Please contact the office for further details.

Summer Club

Thank you to the parents who have reserved places on our Summer Club for the week 19th to 23rd July. The staff are looking forward to planning some exciting activities! Please ensure you have reserved your place and sent your form back to the infant office. The cost is £20 per child per day and payment can be made via ParentPay.

Last week I ran out of space, so was unable to add these special photos, but I made sure I could add them today.

Callum spent some of his half term collecting litter to keep our streets clean and tidy. He did such a good job, I received an email from Stretford Litter Pickers, telling me how amazing he was! Well done Callum!

Here is Zach, Zach's mum told us that Zach spotted a man standing at the entrance to the medical centre car park on Delamere Avenue, holding a bird of prey. The handler explained that he comes every two weeks with his Harris Hawk, which he uses to scare pigeons away from the medical centre (and by default, the school too). Pigeons can cause a lot of damage and this is a way in which they can be controlled, without harming them. The handler also said that the Hawk doesn't like prams or shopping trolleys, for some reason! Thankfully, the bird stayed on the handler's arm and Zach kept a safe distance!

Thank you to Zach and his mum for letting us know about this! We had no idea this was happening.

Thank you for your continued support, have a lovely weekend,

Mrs Noctor
