29<sup>th</sup> April 2022

Dear Parents/Guardians,

We have got off to a flying start to the Summer Term and have the added bonus of some sunshine as we enter into our long weekend! Let's hope the sun stays out for the whole weekend.

We will be welcoming the children back into school on Tuesday 3<sup>rd</sup> May at the usual time.

### Staffing

I would like to thank you for your patience and understanding at this time, particularly the parents of class 6 and class 1, as we have had to cover those classes due to staff illness. Unfortunately, it has been necessary to make some changes to ensure consistency for the children.

For the next half term at least, Mrs Millard will be teaching class 6 and Mrs Eccles will continue teaching class 1 alongside Miss Williams from Monday 9<sup>th</sup> May. We hope to keep disruption to a minimum.

### Y6 P.G.L

Please could any outstanding forms for the P.G.L. trip be returned as soon as possible. Before we know it, it will be time to go so we need to be completely prepared.

### Mobile Phones

I would like to ask any parents of Y5 and Y6 children, who bring mobile phones in to school, to remind their child that their phones must **be switched off and put away** once they come through the school gates.

### Outstanding children

I have a backlog of photos of our amazing children that I need to publish – I will definitely put them up in my next Friday letter! I need to go through my emails to catch up as I missed some when I was absent. I am sorry if you have been wondering where your photo is!

### Parking outside of school

We have received several complaints from parents and neighbours about the dangerous parking outside of the school gates at drop off and pick up times. Please be considerate to our children and other road users. We are currently working on systems that will help the congestion at the end of the day, hopefully this will alleviate the problem.

Thank you for your continued support,

Mrs Noctor
