30<sup>th</sup> April 2021

Dear parents/guardians,

I am sat here in my office looking at the grey clouds and hoping that they will all disappear before tomorrow, so that everyone can have a sunny long weekend! I am sure that you all have plans for the weekend and the sunshine will make them extra special. Lately, I have been so busy that I have been struggling to make time to read, so I have decided that Monday is dedicated to reading whether that is outside in the sunshine or inside on the sofa. Whatever you plan to do I hope you have a wonderful time.

#### Parents' Evening/Meetings

Thank you so much for your support in Parents' Meetings this week, I have had feedback from the teachers, who have said the meetings were very worthwhile and they enjoyed the contact with parents. If you did not manage to meet with your child's teacher, please contact school and another meeting can be arranged.

#### Nursery Places

I would like to inform you that we still have part-time and full-time Nursery funded places available for September 2021. If your child is 3 before 31<sup>st</sup> August 2021 they are eligible for a Nursery place. Please contact the office for further details.

#### Year 6 Leavers' Hoodies

The online shop for Y6 hoodies is now open, the closing date is 14<sup>th</sup> May, as we need to leave several weeks for the hoodies to be manufactured and delivered. Please try to get your orders in as early as possible, as usual if you have any problems please contact us for help. A separate letter and email has been sent to parents along with the log in details.

#### Cycling Helmets

Now that the weather is becoming more pleasant, several children are cycling to school. This is great to see, however, it has been noticed that some children are not wearing safety helmets when cycling on the road. Please can you encourage your child to be safe and wear a helmet if cycling to school.

#### Reception Playground

A polite notice from the EYFS staff regarding the Reception Playground. Would parents please try to keep off the playground equipment as it is not suitable for adults or older children. I would love to be able to construct an adventure playground for adults, but I am

trying to fund one for children first! I could put it on my 5-year plan, but I am not sure that the governors would approve! Thank you for your support and sense of humour.

### Parent Questionnaire

We would really appreciate if you could take a couple of minutes to complete our short survey on Mathematical Mind-set. The link to the survey is

<https://forms.office.com/Pages/ResponsePage.aspx?id=0tul7v7rPkCWxvBkgrOgQyrgYSRMMstLrRqrLOlfzqhUNkZJTTcwT1gxWE5XRIZCMzdWMOJCQkg4OS4u>

It can also be found on TEAMS.

### NSPCC Number Day

On Friday 7<sup>th</sup> May, we are celebrating Maths in the NSPCC Number day. A letter will be sent home with all the details this evening. I am sure it will be a fantastic day for the children.

No photos again this week, don't forget to send me any photos of your children doing extraordinary things when they are not in school! I love to share photos of our talented children.

Enjoy the Bank Holiday Weekend and I'll see you all again on Tuesday 4<sup>th</sup> May,

Thank you for your support,

Mrs Noctor

Headteacher

Thank you for your support, have a lovely weekend,

Mrs Noctor

I hope you have a lovely weekend.

Thank you for your continued support,

Mrs Noctor
