8<sup>th</sup> April 2022

Dear Parent / Guardian,

Another busy week, which is exactly what we like!

Firstly, I would like to thank all of the parents who came to school for the Parents' Evening events. I know it meant a lot to the children that they were able to show off the fantastic work that they have been doing. There are some classes who were not able to have their Parents' Evenings due to staff absence. I want to reassure those parents that the meetings will take place and further information about it will be given out soon.

Yesterday, I was overwhelmed with the sense of pride that a group of children in Year 1 showed when they brought their amazing writing work to show me. It is always really nice to see children having a sense of achievement. Well done to all of you and keep up the great work!

### Easter Eggshibition

We are really pleased to announce that we are once again doing our annual Easter Eggshibition where children (and their parents!) can decorate an egg in any way they wish. Each year we are always amazed at the innovative designs and creations that the children bring in. These eggs are to be brought into school on Monday and they will be showcased in the Junior Hall for parents to see. Children will be able to take home their creations on Tuesday. (Please see separate letter for more details)

### Talent Show

Well done to all the children that took part in our Talent Show today, with a special thanks to Mrs McDermott for all her hard work organising this event.

### Easter Productions

The parents of children in Year 1 are welcome to come and see the Easter production that the children have been working so hard on. This will take place on **Wednesday 13<sup>th</sup> April at 9.30am in the Infant Hall.**

Also, the Year 5 parents are welcome to come and see the Easter production that the children have been working so hard on. Their production will take place on **Wednesday 13<sup>th</sup> April at 2pm in the Junior Hall.**

For both events, please can parents use the main entrance on Derbyshire lane.

### **Safety**

Please can I remind parents that although the school gates open at 8.45am, it is important that children are supervised by their parent/carer until the school bell goes. We are aware that there are some older children who walk to school on their own and therefore we ask that they do not arrive before 8.45am.

At the end of the day, please can I ask that parents/carers, kindly move away from the doors so that class teachers are able to see parents waiting to collect their child.

### **Car parking**

Please can I urge all of those in cars to respect the need for safety of all our children. The yellow zig-zags are there for a reason and footpaths need to be left clear for families and children to walk on. It only takes one incident for us all to regret our actions.

### **ParentPay**

As we approach the end of another term, may I remind parents to review their ParentPay accounts and make the necessary payments.

### **Manchester Marathon**

A huge well done to all of the runners who took part in the Manchester Marathon. In particular, the members of staff from our school who took part in it as well. I know that they exceeded their fundraising target for Team Ariela which is fantastic!

### **Sacramental Programme**

Please be aware that the Holy Communion will take place over 2 dates – 18<sup>th</sup> and 25<sup>th</sup> June. If you have any worries or concerns about this, please let me know.

I would like to remind parents that we finish for the Easter break on Thursday 14<sup>th</sup> April at 3.30pm. (Nursery closes on Wednesday 13<sup>th</sup> April).

Yours sincerely,

Mrs S. Whittaker

Deputy Headteacher
