5<sup>th</sup> March 2021

Dear parents/guardians,

I hope all the children have enjoyed our Wild World Book Week as much as we have, whether they are at home or at school! It has been a wonderful week and I have really enjoyed seeing the work the children have produced. Mrs Jones even received a fascinating gift of a quail's egg from Dexter, she enjoyed her 'Show and Tell' session in our morning meeting.

Well done everyone!

### **Monday 8<sup>th</sup> March**

Our St. Ann's family will all be back together next week and we couldn't be happier! I am very excited about what we have planned, but have been sworn to secrecy, so I can't tell you! It promises to be a very special week though...

As we are welcoming all our children back, there will be an increased number of parents and children in the school grounds, please can parents follow the guidelines set out in the letter you received earlier in the week.

I would like to ask the children, who have been accessing Remote Learning, to bring their stationery pack with them on Monday, along with any work they wish to share with their teacher.

If your child received a school laptop to use over the Lockdown, please return it to school on Monday, as these will be sanitised and stored until we need to use again for another class isolation – let's hope this is not necessary!

### **School meals**

Please can I remind you to pre-order your child's school meal before their return on Monday. You are able, if you prefer to pre-order the meals up to our Easter holidays.

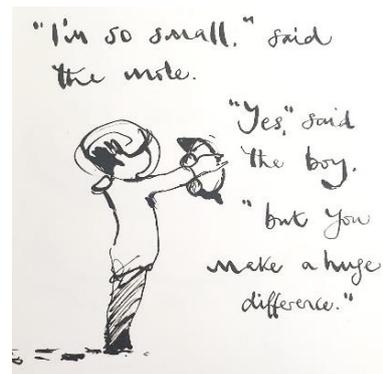

## Update on Jamie from our Nursery

Jamie's mum has informed me that he finished his 100 laps on Saturday, he walked a total of 31 miles in one week, and somehow still had the energy to play in the park afterwards!

In total Jamie has raised £1440 for his two chosen charities, Dementia UK and North Manchester Hospital.

Well done Jamie!

Charlie Mackesy

Thank you again for your support,

Mrs Noctor
