9th October 2020

Dear Parent / Guardian,

Hot school dinners

Thank you to the parents that have replied regarding whether they would want school to provide a hot meal. We are currently in talks with Live Kitchen to see whether this is something we can do after October half term. We will let you know as soon as we can what the decision is.

Homework

It is very important that children complete their homework online every week. If you are having any problems accessing the homework, please speak to your child's class teacher.

Healthy Snacks

As part of our Healthy Eating Plan, and to encourage our children to eat fruit at playtime, a selection of seasonal fruit is available to all infant, reception and nursery children. You do not need to provide a snack for your child if they are in EYFS or Key Stage 1 (Year 1 & 2).

Junior children are encouraged to bring in a piece of fruit for morning break.

Please ensure your child comes to school with a named drinks bottle filled with water (no juice or fizzy drinks please).

Breakfast Club

May I remind parents that Breakfast Club opens at 8am and cannot accept children after 8.30am. We cannot take children after this time as the breakfast is no longer being served and the children are beginning to get ready to be taken to class at 8.45am.

Sickness and / or diarrhoea

If your child has been sick or has had an upset stomach please keep them off school for 48 hours after the last episode of illness.

Hello Yellow

Thank you to all the children that were able to support the Young Mental Health Awareness Day today. You all looked amazing in yellow!

Thank you for your continued support.

Mr J. O'Brien
Headteacher
