11th November 2020

Good evening,

In view of the current Lockdown situation we want to ensure the safety of children and staff so that our whole school stays open.

We are aware of other schools having to isolate whole classes and in one case, close the school completely. We continue to work hard to try and avoid this happening to our school.

With this in mind, we would ask that you wear a mask when entering the school grounds to pick up and drop off your children.

We really appreciate how parents have followed the procedures we have put in place so far and are working with us to continue to keep us all safe.

Thank you for your continued support.

Mrs Noctor
Deputy Headteacher
