Dear Parents,

As you may have heard in the news the Government have said that Nursery, Year 2, Year 3, Year 4 and Year 5 will not be allowed back to school this academic year.

If your child is not a Keyworker child, the school will provide for your children a variety of activities from now until Summer. These will include:-

- One to one facetime between your child and their class teacher.
- A phone call between the class teacher and parents.
- Activities and competitions for these year groups in English, Maths and Art. These will be judged by Mr O'Brien and Mrs Noctor. Prizes will be awarded to all children taking part.
- Other activities will be announced during the half term.

These activities will be for those year groups who will not be attending school before Summer.

The school was prepared to welcome all of you back to St. Ann's, unfortunately we have to follow the Government's guidance.

I hope you and your family are well and I hope to see you again soon.

Best wishes.

Mr J. O'Brien
