Dear Parents,

Can I welcome you and your family back to St Ann's on Friday 4th September.

Myself and the staff are excited at the prospect of having all the children back at school for the first time since March.

I will be sending a reminder tomorrow about the procedures for the start and end of the school day.

There are two issues I would like to draw your attention to. If you and your family have been on holiday to one of those countries on the quarantine list, you must follow the Government's guidelines. This is to self isolate for 14 days. You must not allow your child to attend school during this period. Parents can contact the school office so we can make the necessary arrangements at school.

The teachers have planned a "catch up" curriculum which will give an opportunity for all children to complete the previous year's work. The school will offer a broad and balanced curriculum on your child's return including P.E. and Music.

I look forward to seeing you all on Friday 4th September.

Best wishes.

Mr J. O'Brien
Headteacher
