

Character and Setting Descriptions

G Grammar P Punctuation S Spelling

Your challenge is to create a scary story. You will need to think carefully about the setting for your story and the main character. These pages will help you to design your setting and your character and will help you to write about them.

Challenge 1

1 Draw a picture of your spooky setting.

- Think about where it is going to be set – a graveyard? A deserted church? An empty, dark beach? Or somewhere else?
- What will the objects in the picture look like? Will they be well kept or will they be old and falling apart? Or will they be unusual or strange?
- What will the weather be like? Dark? Stormy? Windy? Still?
- Which colours will you use to create your setting? Will they be bright or dark colours?
