

I am here to tell you about Children's University and how you can get involved....

The Children's University has been set up to recognise and celebrate the learning activities children choose to do outside normal school hours

To enrol in the Children's University, talk to your parents / carers about it and then speak to your **TEACHER**. He/she will give you your passport and can tell you which activities qualify or where you can find others

Recognised activities include after school clubs, swimming and music lessons, sports camps, dance and drama workshops, so try to get involved in more than one

The **UNDERGRADUATE LEVEL** is about choosing to take part for 30 to 400 hours

The **POSTGRADUATE LEVEL** is about choosing to take part & showing what you have achieved through displays; performances; exhibitions & publications 430 to 800 hours

**AWARDS:**
