Catholic Primary School

End of Year Expectations For Year 1

This booklet provides information for parents and carers on the end of year expectations for children in our school. The National Curriculum outlines these expectations as being the minimum requirements your child must meet in order to ensure continued progress.

All the objectives will be worked on throughout the year and will be the focus of direct teaching. Obviously, all children learn at their own pace so not all will be secure with the end of Year Expectations. The areas your child may need support with, will be addressed in Year 2.

We would appreciate your support by reading daily, with your child, for approximately 10 minutes and to help your child with their confidence counting in multiples of 2, 5 and 10.

If you have any queries regarding the content of this booklet or want support in knowing how best to help your child, please come and have a chat with me

Thank you
