## 'Doing our best for God'

---

Date: Tuesday, 09 February 2021

Dear Parents/Carers,

It is lovely to see from your emails and feedback from other teachers, how many people are engaging with Google Classroom. Thank you for your continued support in navigating in what can often seem a challenge.

Over recent weeks, you may have seen in the media, discussions about how much time children are spending looking at screens. Learning at home doesn't have to mean hours of sitting in front of a screen; learning can still take place by other means. We are hoping to promote some off screen time for our pupils.

After half term, your class teacher will be providing you with the opportunities for off screen activities. This may be a craft activity, engaging with the outdoors, cooking/baking or a practical activity for your lesson.

Look out for these tasks set for you by your teacher in the coming weeks!

Miss Scarlett  
Remote Education and Learning Lead

Yours faithfully,
