

St Bernadette's Catholic Primary School

'Doing our best for God'

Date: Tuesday, 02 March 2021

Dear Parents/Carers,

It has been lovely to hear from all the teachers saying how well the Google Meets have been going and how nice it has been to see all the children's faces.

When all the children return to school with face to face teaching, our remote/blended approach to learning will alter slightly if children are self-isolating due to them or a household member showing symptoms. If this is the case, teachers will email over your child's work for each day. This email will be sent to your child's school email address and is accessible through Gmail. Teachers will ask that you return photographs of your child's work via email and once they have received this, they will send the work to complete for the following day. Please be aware that the class teacher will not be as accessible throughout the day as they have been during lockdown as they will have the majority of children in class.

As previously, if a class bubble is sent home to self-isolate, teachers will be setting work for the whole class on Google Classroom. This work will be completed in a similar way to during the current lockdown.

We are all looking forward to seeing everybody back on Monday.

Miss Scarlett
Remote Education and Learning Lead

Yours faithfully,

Alexis Satterthwaite

Head Teacher
