

Science Curriculum Overview 202-2025

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Observing seasonal change	Observing seasonal change	Seasonal change Animals and plants - growing and changing	Seasonal change Animals and plants - growing and changing	Seasonal change Materials	Seasonal change Materials
Year 1	Material Properties: Everyday Materials		Animals: Other Animals		Animals: Humans	
	Light and Astronomy: Seasonal Change Plants: Common Names and Basic Structure					
Year 2	Animals including humans	Living Things and Their Habitats		Use of Everyday Materials	Plants	
Year 3	Animals including Humans (Skeletons & Movement and Health & Nutrition)		Rocks and their Properties	Forces and Magnets	Light and Astronomy: Light, Reflections and Shadows	Plants: Functions of Parts of a Plant
Year 4	Animals including humans: teeth, food chains and digestion	States of Matter	Sound		Electricity	Living Thing and their habitats
Year 5	Material Properties: Testing Material Properties Reversible Changes Irreversible Changes		Living Things and their Habitats Light and	Astronomy: Earth and Space	Forces: Effects on Movement	Animals including Humans
Year 6	Living Things and their Habitats: Classifications	Animals inc. Humans: Exercise, Health and Circulatory System	Living Things and their Habitats: Evolution and Inheritance	Light and Astronomy: How Light travels	Electricity
