Blurb	<p>Whizziwig is an alien who has crash landed on Earth – smack bang on Ben’s roof. Once Ben gets over his fear of this funny little bouncing creature, he’s excited to learn that Whizziwig is a ‘wish-giver’ able to turn wishes into reality. But there’s a twist: the wishes must be made for someone else ...</p> <p>Every wish granted gets his space-ship one step nearer to becoming repaired. But every wish granted also causes chaos for Ben and his family. Soon, some very strange (and very funny) things start happening.</p>	<p>When Tomas discovers a strange old tree at the bottom of his Grandad’s garden, he doesn’t think much of it. But he takes the funny fruit from the tree back to the house – and gets the shock and delight of his life when a tiny dragon hatches. The tree is a Dragonfruit tree, and Tomas has got his very own dragon, Flicker.</p> <p>Tomas soon finds out that life with Flicker can be great fun, but also very ...unpredictable. And then something extraordinary happens – more dragonfruits appear on the tree. Tomas is officially growing dragons...</p>	<p>Starting a new school is always stressful, but Murph suspects his new school is stressful for extremely odd reasons. He realises his mum has accidently enrolled him in a super Hero school for kids with superpowers: fellow pupils can fly, control the weather, and conjure tiny horses. Humiliatingly nicknamed Kid Normal, demoted to helping the Caretaker, Murph is despondent. Meanwhile, across town at Ribbon Robotics, evil wasp-man Nektar plans world domination. Can Super Zero underdogs Murph, Carl the Caretaker, Flora the secretary and some of his classmates save the day?</p>	<p>Welcome to Unicorn School. Where you get your own unicorn best friend! You go on magical quests together! There is glitter! There is even more glitter! Mira can hardly contain her excitement as her fellow students are paired with their unicorns. Darcy is assigned the statuesque Star, Raheem is matched with Brave and Mira is paired with...Dave!</p> <p>Dave loves doughnuts. He doesn’t follow directions very well. And he farts. A lot. Mira is a little disappointed. But she soon realises Dave is unlike his fellow unicorns in another way: He’s a little smarter than they are. When a school trip goes awry, the only way to save the day is for Mira to embrace her unexpected unicorn best friend.</p>	<p>Billy’s starting secondary school. It’s a different one from most of his primary school classmates, but that suits him just fine – Billy’s keen for a fresh start. He has a stammer, and he’s determined that it isn’t going to dictate how he is viewed at school. In fact he’s got a list of ways he plans to get rid of the stammer before anyone notices it. One of the ideas has just got to work, so he can start pursuing his dream of being a stand-up comedian. But if they all fail, he will simply ditch the comedy and concentrate on something that avoids speaking in public. Because that’s the only option...right?</p>	<p>A little fox cub in Leicester trawls the football ground for post-match leftovers with his dad. The foxes love football but they love pizza crusts and hot dog buns, too!</p> <p>When they hear a hoity-toity voice telling them what to do, they’re ready to run home. But when the ghostly voice claims to be a long-lost king, the foxes promise to dig him out in exchange for a wish that will make the whole city proud.</p>
