

SPORTS PREMIUM FUNDING 2020/2021

As with every Primary School in the country, St Bernadette's has been provided with an additional funding to improve the provision of Physical Education and sport in our school. We are proud with the choices we have made to spend this money – decisions which impact directly on the Physical Education and mental health well-being of our children. **Funding allocation 17,766.04**

Sports Premium Grant Funding Allocation – 2020-2021				
Objective 1	Key Actions	Anticipated Outcomes	Proposed Funding	Actual Outcomes
The profile of PE and sport being raised across the school as a tool for whole school improvement.	Children encouraged to bring in trophies/badges/belts from external sporting clubs for celebration assembly. Continue to raise sporting profile by putting the names of children in the weekly newsletter. Children's school sporting achievements celebrated during whole school assemblies.	Greater awareness of sports profile in school by staff, governors and parents. Children encouraged to participate at some level – school or home in sporting activity.	£0	Children were asked to bring in their certificates, medals, trophies and shields from all different sports outside of school (COVID secure). These were shared and celebrated in the assembly with children discussing how they have achieved. There is also a shared understanding of working as a team, sportsmanship, commitment and resilience.

Sports Premium Grant Funding Allocation – 2020-2021				
Objective 2	Key Actions	Anticipated Outcomes	Proposed Funding	Actual Outcomes
Increased confidence, knowledge and skills of all staff in teaching PE and sport	To continue to employ Blackpool Community Trust coaches to aid the CPD in PE/Games of teaching staff.	Increased confidence in delivering the National Curriculum for PE/Games – especially for the new staff in school Staff to be able to plan lessons that ensure progression and development of knowledge in each sporting area. More children to achieve expected outcomes for their year. Children participating in a greater range of sports.	£13,000	Teachers worked alongside the BCT coaches in PE/Games lessons to develop the skills they need to ensure children in their class made progress. Staff meetings were held to develop a PE curriculum ensuring progression of knowledge and skills and coverage of key areas: dance, gymnastics, athletics, striking and fielding games, net/wall games, OAA, swimming. Staff have taken part in a staff development meeting to gain an understanding of how to break down the skills required for each sport and will be able to build on previous skills.

Sports Premium Grant Funding Allocation – 2020-2021

Objective 3	Key Actions	Anticipated Outcomes	Proposed Funding	Actual Outcomes including impact on staff, pupils and school
Increased participation in competitive sport.	Provision of wide range of sporting activities offered to children in both key stages including team games.	Increased participation in inter-school competitions including running, football and swimming gala.	£0	The PE Coordinator has met with BCT and dates for events throughout the year have been shared with the staff (less due to COVID) Children were not able to attend as many of the events as anticipated.

Sports Premium Grant Funding Allocation – 2020-2021

Objective 4	Key Actions	Anticipated Outcomes	Proposed Funding	Actual Outcomes
The engagement of all pupils in regular physical activity.	To Continue with the 'daily mile' across both sites for all children during the afternoon. We have now called this the daily dash . Improvement of existing markings around the track to engage the children whilst they are running.	Children more focussed during the afternoon especially final lessons.	£3,200	Children were keen to do the daily dash and challenged themselves. Parents have also commented on their children's enthusiasm on this initiative. Children continued to return to lessons ready to learn.

Sports Premium Grant Funding Allocation – 2020-2021

Objective 5	Key Actions	Anticipated Outcomes	Proposed Funding	Actual Outcomes
Improvement of PE/Games equipment to replace existing or to enhance skills development.	To purchase new equipment to extend the range available to all children	The new purchased equipment will provide opportunities for children to engage with PE. Children can continue to focus on their gross/fine motor skills and cooperation between their peers. Teachers equipped with the tools needed to deliver quality lessons.	£1,566.00	In discussion with the children, they were able to have some autonomy in the choices of the new resources that were purchased. Their involvement and participation has increased and St Bernadette's can continue to put PE involvement/skills as a priority for children's health and Wellbeing.

Swimming Results 2020/2021

Swimming is a **national curriculum requirement** and by the end of key stage 2 pupils are expected to be able to swim confidently and know how to be safe in and around water.

The 3 national curriculum requirements for swimming and water safety are to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- perform a safe self-rescue in different water based situations
- use a range of strokes effectively

Schools are required to publish information on the percentage of their pupils in year 6 who met each of the 3 swimming and water safety national curriculum requirements.

Unfortunately, due to the COVID-19 Pandemic, swimming lessons have not gone ahead for children in St Bernadette's.

During the Summer term 2021, children were able to participate in swimming lessons.
