

Dear Parents,

We have decided to launch a very exciting campaign called the **Big Battery Hunt**. In school your child will learn how important it is to recycle batteries and what happens when people do not.

Your child has been challenged to find and collect as many batteries as possible, please help them do this. They can be as creative as they like by going to work spaces, places of worship, local businesses and the wider community to enlist everyone to help make sure that no battery ends up in landfill.

Your child has been supplied with a collection box, please get them to bring this into school when it is full and it can be taken home again to be re-filled, so that we can add it to the main container. Although we are too late for the competition, this is a long term initiative to look after our planet, but there will be individual class prizes for the most batteries collected.

\*See the base of your collection box for safety instructions.

Happy Hunting!
