3<sup>rd</sup> April 2020

Dear Parents/Carers,

## Daily Update

Good morning everyone - we have got to the end of week 2! We are aware that some families may have been directly affected by our ongoing situation so please let the school know if we can support you or your child in any way, throughout this challenging time.

Please do not worry about the home learning tasks and work set. We understand that frustrations may be running high and we do not want to bring more stress onto our families. We provide tasks and suggestions for learning to keep our young pupils minds moving forward. Ultimately, the children are at home with you and, from our lovely emails, it seems that many are being so creative with their ideas for learning or simply just being together as a family and reconnecting; sharing happiness, hope, laughter, fun and purpose.

## Remember:

Please can you ensure that we have up to date details if your situation changes:

- If you have indicated that you will need child care for your child on a particular day and then your situation changes, please inform us immediately otherwise, in line with our safeguarding duties, you will receive a phone call from school
- Is anyone in your household self – isolating?
- Do you no longer require childcare and have not informed the school?
- Are you due to or have you finished a period of self – isolation?

Please correspond by email if any of the above applies to you and we will respond during the normal school hours.

Check out our Home Learning Galleries, within our Home Learning banner. We will continue to update this page as you send in your photographs and examples of learning and creativity

Head Teacher: Mrs Alexis Satterthwaite

# St Bernadette's Catholic Primary School

Thank you for all the thoughtful emails with your kind words of support. Thank you also for your patience and understanding as we journey through these challenging times. St Bernadette's staff are working hard in school, or behind the scenes from home, whilst looking after their own families and trying to stay positive and safe.

Finally, a message for all of our pupils. We understand that this is a strange time for you and you may be worried and missing all your friends. Please remember to talk your family about your concerns. Be kind and helpful when your family seem sad, acting as you all do, every day, at St Bernadette's. Be kind to yourself - as you are unique. Life will get back to normal sometime in the future and the St Bernadette's family will gather together more appreciative of each other. This also applies to our year 6 children, as we will be gathering together and celebrating 'you' and the contributions you have made to St Bernadette's very soon.

*Charlie Mackesy*

*A moment of reflection:*

*"Spread love everywhere you go. Let no one ever come to you without leaving happier."*

*Mother Teresa*

God Bless – stay safe and have a great weekend.
