Dear Parents,

Advertisement for Headteacher for St Bernadette's

On behalf of the Governors, we would like to keep you informed of the appointment of the new Headteacher.

We recently ran a second advert for the post from July until 14th September but unfortunately there were no applications on this occasion. The Governors have therefore taken the decision to put an advert out again. This will go on the Blackpool Council website, the Catholic Teaching Alliance website and in the Catholic Teacher's Gazette all of which reach teachers across Lancashire and beyond.

Please be assured that the school is continuing as before and we are very proud to work with such a supportive team of staff and parents. This is not an unusual situation, as many schools across the country, as well as in Blackpool, struggle to recruit to senior management posts. Please be assured that the Governors are working alongside school advisors and the Diocese to ensure a successful outcome.

Should you have any questions, then please do not hesitate to come and speak to us as our door is always open.

Yours sincerely,

K Pearson
