Dear Parents,

As you are aware from previous correspondence, we have asked parents, once they have collected their children from school, to leave the school premises as soon as possible. Please do not allow your children to play on the field or the climbing equipment around the school. We have taken this action, as we have had previous complaints from parents, where incidents have occurred between children, who do not seem to be supervised or that children have hurt themselves whilst climbing on the equipment.

We have spoken to all the children in assembly today, to remind them of our school rules on this safety concern. Mr Silcock will be locking the gates after school has finished, so for safeguarding and insurance purposes, could we politely remind you to adhere to our school rules and vacate the premises as soon as possible.

Thank you for your cooperation with this concern.

Regards
