## Daily Update

Dear Parents/Carers,

Good afternoon everyone. Another week has passed for our school community. The children have been busy in school making, creating and planting. Earlier on in the year, we had a delivery of saplings to be planted around school. Most of the saplings have been planted, on the other side of the mound, facing the main road, to create a barrier buffer from the traffic but also to add to the school surroundings – thank you to all the staff and children who completed this task. I can see that many children have also been creative at home; I have uploaded more photographs to the gallery.

**Please can I request that all children, who attend school, bring in a sun hat/cap and sun cream as the days are becoming warmer.**

### Remember:

Where possible, children should be safely cared for at home. However, we understand that this may be difficult for some key workers. We are here to look after the children of our key workers who are critical to the Covid-19 response and vulnerable children who may need our support.

Please can you ensure that we have up to date details if your situation changes:

- If you have indicated that you will need child care for your child on a particular day and then your situation changes, please inform us immediately, otherwise, in line with our safeguarding duties, you will receive a phone call from school
- Is anyone in your household self – isolating?
- Do you no longer require childcare and have not informed the school?
- Are you due to or have you finished a period of self – isolation?
- Have you or members of your family been directly affected by Covid-19?
- Is it possible to alternate your work shift pattern, within the household, so that one parent/carer is able to care for your child?

Please correspond by email if any of the above applies to you and we will respond during the normal school hours.
