Dear Parents/Carers,

## Daily Update

Good afternoon everyone. Thank you for all the lovely photographs and examples of creativity taking place in your homes. We are updating our Gallery Page as we go along. If you are unsure about photographs going on the website, please feel free to send in examples of creativity with your child's/families names attached, if you so wish. We understand this is very much a different kind of Holy Week for us all. We are still learning about the key events in school and there are many resources on the Faith page to support your families. We are very lucky to have Father Peter popping into school, on a regular basis. He will be coming into school, on Friday, to talk to the children about the Stations of the Cross; I will put the PowerPoint on the Faith page for you all to share.

## Remember:

Where possible, children should be safely cared for at home. However, we understand that this may be difficult for some key workers. We are here to look after the children of our key workers who are critical to the Covid-19 response and vulnerable children who may need our support.

Please can you ensure that we have up to date details if your situation changes:

- If you have indicated that you will need child care for your child on a particular day and then your situation changes, please inform us immediately, otherwise, in line with our safeguarding duties, you will receive a phone call from school
- Is anyone in your household self – isolating?
- Do you no longer require childcare and have not informed the school?
- Are you due to or have you finished a period of self – isolation?

Please correspond by email if any of the above applies to you and we will respond during the normal school hours.
