Daily Update

Dear Parents/Carers,

Good afternoon everyone. Today is one of our busiest days, within the week, as we distributed the Free School Meals and extra provisions provided by the parish. The children in school have completed VE Day activities and we celebrated a birthday with one of the pupils; choc-ices gratefully received!

Daily DfE update: <https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers>

We have organised our Home Learning Page Learning page a little differently so it is easier to locate certain subjects and topic information for support.

As I have mentioned previously, please continue to pray for our school community as more and more people have sadly been directly affected by Covid-19. We are here to support you in any way we can so please do not to hesitate to contact the school.

Remember:

Where possible, children should be safely cared for at home. However, we understand that this may be difficult for some Key Workers. We are here to look after the children of our Key Workers who are critical to the Covid-19 response and vulnerable children who may need our support.

Please can you ensure that we have up to date details if your situation changes:

If you have indicated that you will need child care for your child on a particular day and then your situation changes, please inform us immediately, otherwise, in line with our safeguarding duties, you will receive a phone call from school.

- Is anyone in your household self – isolating?
- Do you no longer require childcare and have not informed the school?
- Are you due to or have you finished a period of self – isolation?
- Have you or members of your family been directly affected by Covid-19?
- Is it possible to alternate your work shift pattern, within the household, so that one parent/carer is able to care for your child?
