Update

Dear Parents/Carers,

As explained, if you have registered through the website or emailed for a place in school for your child, you have secured a place unless I have spoken to you by telephone. I have personally phoned, left a message or emailed those Key Worker parents whose children are in Year 2 so they are aware of which group they are in. If you are still unsure, please contact the school today, by email, ready for return on Monday.

Please ensure that you are familiar with all the important documentation on the website ready for your children returning to school. I would recommend that you share the PowerPoints with your child so they feel comfortable with the different arrangements they will face.

For those children whose entrance and exit is at the front of the school, please can I request that Reception and Year 1 line up to the left of the gates and Year 2 to the right of the gates, adhering to the socially distanced signage. The back entrance has one socially spaced line that runs from the gate and around the side of the fenced wall. Please adhere to the socially distanced signage. We have placed signs on the fencing to remind you of the staggered times for each group.

For those children who will not return to school, the staff will continue to set weekly tasks and email the children. Mrs Salisbury will be marking all the set work.

We are looking forward to welcoming more of our children in on Monday but please know that we will continue to reach out to all the children still at home with their home school learning.

I will continue to send out correspondence to update you on any important guidelines or changes to any procedures in school.

A moment of reflection.....

'Take care of yourselves for a future that will come'

Pope Francis

God Bless – stay safe,
Alexis Satterthwaite
