Update

Dear Parents/Carers,

Good afternoon everyone. First day back for more pupils and I can report that everything has gone well and hopefully will continue for the weeks ahead. Thank you for keeping to the entrances and staggered times as this has helped with the smooth running of welcoming more pupils back in a safe manner. Father Peter kindly sent in a recorded prayer message to share with the children and they have all had the opportunity to play outside in the sunshine – may the good weather continue.

Please can I remind parents of children attending, not to bring to school any bags. Only a lunch box, cap/hat, water bottle, sun lotion and if required, a small hand sanitizer which can all go in their personal tray to be kept on their table.

For those children who will not return to school, the staff will continue to set weekly tasks and email the children. Mrs Salisbury will be marking all the set work.

I will continue to send out correspondence to update you on any important guidelines or changes to any procedures in school.

A moment of reflection.....

“If we wish to follow Christ closely, we cannot choose an easy, quiet life. It will be a demanding life, but full of joy.”

Pope Francis

.....The joy on the faces of our returning children, was lovely to see.....

God Bless – stay safe,
