Daily Update

Dear Parents/Carers,

Good afternoon. Just as I mention our glorious weather, it becomes greyer! Hopefully, your family time together still makes you all smile.

We consider it our duty and a responsibility to care for the Key Worker children in St Bernadette's so thank you again for all the messages of support and tokens left at the main office. Many have asked how they can help the school. The children are outside as much as possible and so we have taken this opportunity to revamp the school garden and the memorial garden. If anyone would like to contribute any small shrubs/plants we would be very grateful. Also, if there are any keen sewers out there, we would like to put bunting up inside the outside classroom and the Reception class, outside area. Please contact the school, by email, if this is something you could help us with.

We have many PE bags left in school; these can be collected from the Main Reception.

We continue to add learning platforms to the **Home Learning Page** so please continue to logon to the school website for support.

As I have mentioned previously, please continue to pray for our school community as more and more people have sadly been directly affected by Covid-19. We are here to support you in any way we can so please do not to hesitate to contact the school.

Please can I request that all children, who attend school, bring in a sun hat/cap and sun cream as the days are becoming warmer – thank you.

Remember:

Where possible, children should be safely cared for at home. However, we understand that this may be difficult for some Key Workers. We are here to look after the children of our Key Workers who are critical to the Covid-19 response and vulnerable children who may need our support.

Please can you ensure that we have up to date details if your situation changes:

- If you have indicated that you will need child care for your child on a particular day and then your situation changes, please inform us immediately, otherwise, in line with our safeguarding duties, you will receive a phone call from school
- Is anyone in your household self – isolating?
- Do you no longer require childcare and have not informed the school?
- Are you due to or have you finished a period of self – isolation?

- Have you or members of your family been directly affected by Covid-19?
- Is it possible to alternate your work shift pattern, within the household, so that one parent/carer is able to care for your child?

Please correspond by email if any of the above applies to you and we will respond during the normal school hours.

A moment of reflection.....

“To follow Jesus means to share his merciful love for every human being.”

God Bless – stay safe,
