Dear Parents/Carers,

Daily Update

We are all working together to support our Key Workers. Thank you for emailing to inform us of the care that you need in school. Please can I remind you that we are open during the Easter holiday (with skeleton staff) for the Key Worker's children whose parents are working during this time; this includes Good Friday and Easter Monday **but only if you are required in work as part of your shift rota.**

- Please continue to check out the school website as we add more links onto our **Faith Page** and **Learning Page**.
- Please continue to send in any photographs you have so we can update our **Gallery Page**

Remember:

Please can you ensure that we have up to date details if your situation changes:

- If you have indicated that you will need child care for your child on a particular day and then your situation changes, please inform us immediately otherwise, in line with our safeguarding duties, you will receive a phone call from school
- Is anyone in your household self – isolating?
- Do you no longer require childcare and have not informed the school?
- Are you due to or have you finished a period of self – isolation?

Please correspond by email if any of the above applies to you and we will respond during the normal school hours.

Remember – do not send your child into school if they are at all unwell and obviously if they have any of the symptoms – a recent new continuous cough and/or high temperature.

A moment of reflection:

"I encourage the faithful to live this difficult moment with the strength of the faith, the certainty of hope and the ardour of charity."

Pope Francis

God Bless – stay safe,
