

St Bernadette's Catholic Primary School

'Doing our best for God'

Date: Wednesday, 06 January 2021

Good morning,

It was lovely to see the children back in school albeit not as many. Thank you for following the procedures for booking a place. Obviously, St Bernadette's would like to welcome every child into school so they can carry on with their education, where they should be, but we have a National Lockdown for a reason and the safety of our school community is paramount. I ask that to mitigate the risk to staff and children, please only **book a place for your child on the days that you work as a Critical Worker/Key Worker**. We have put this option on the form for you to choose so it builds up a picture of who we have in school.

Your child will be working with their class teacher, within their bubble. If for any reason we have to change this system, we will inform you.

Also, we need to follow guidelines set out by the local Authority. Please can I ask you to send into school an email from your workplace as proof of being a Critical Worker/Key Worker.
