

St Bernadette's Catholic Primary School

'Doing our best for God'

Date: Wednesday, 07 July 2021

Dear Parents,

We have been advised that there has been a confirmed case of COVID-19 within the school; this does not affect your child.

We know that you may find this concerning but we are continuing to monitor the situation and are working closely with Local Public Health. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The affected 'bubble' will not be in school and will be learning from home.
The school remains open for all other classes and your child should continue to attend school.

Symptoms

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

Further Information

Further information is available at

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

I would like to reassure you that our school community is fine. We will continue to be guided by Public Health and will follow our procedures, set out within the Risk Assessment.

Please stay safe,

Alexis Satterthwaite
Head Teacher
