'Doing our best for God'

Date: Thursday, 1st April

Dear Parent/Carer

Unfortunately, due to increased costs from our suppliers, we are having to increase our charges for school meals from £2.00 per day to £2.20 per day with effect from Monday 12th April 2021. Please note that there is still no charge for children in Reception, Year 1 and Year 2 as the Universal Free School Meal Scheme is still in place. There will also be no charge for children who are entitled to free school meals. If you think that you may be eligible for free school meals, please contact the school office.

Despite increased charges during the past few years, we are pleased that we have been able to keep our meals at the cost of £2.00 per day. However, due to budget limitations, we have been left with no option but to implement an increase this time.

We have been very excited with the arrival of our new ordering system through ParentPay and its wonderful to see so many of our parents embracing this. This allows far more flexibility to parents and we have been able to offer increased menu choices for our children.

If your child brings a packed lunch and you would like them to take advantage of the delicious meals served in school, please contact the school office. Also, if you would like any support with ParentPay, please do not hesitate to contact us.

Thank you for your continued support.

Yours faithfully
