'Doing our best for God'

Parent Conferences

Normally, at the beginning of November, we make arrangements for your child's interim report to go home. However, due to the current restrictions, we are aware that we have not been able to arrange a teacher meet or build up the normal teacher/parent relationship. Instead, we will be able to offer you a 10-minute phone call to discuss:

- How your child has settled into their new class
- Their progress.
- Their individual targets

This is also an opportunity for you to speak to your child's teacher and discuss any concerns or share any relevant news. We will provide you with dates and allotted time slots to choose from in November so you will be able to book your appointment. Once completed, we will send out the details of your appointment date/time.

Please ensure we have your correct contact details. If you have an alternative phone number that you would like to be called on, please record this on the form. On the day, please look out for your call which will most likely come up with a message "No caller ID". If you miss the call, staff will try back within a few minutes but this will impact the length of your consultation. As in previous years, teachers will be preparing targets based on the first few weeks back in school. All information will be pasted inside your child's diary.

Please watch for the information when we return to school after half term.

Yours faithfully,

Alexis Satterthwaite
