Information from Mrs Satterthwaite

Thank you to everyone who is engaging with the Online Learning. As I have said previously, please engage when you can. I appreciate that every family is different because of their circumstances. We are here to support you so please get in touch in the usual ways.

I ask you to please read all the documentation that has been sent out to you this week by myself and the Local Authority. The Local Authority has requested that if one/two Key Worker parent/s are working from home, then the expectation from the Local Authority is that you do not need a place for your child in school. Whilst I appreciate this may be difficult for some families and in some cases, I or you have made contact with me, I am happy to discuss this individually with parents.

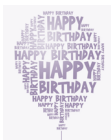

In the interests of health/safety and fairness, please follow the guidance that has been sent out to you - thank you

Mrs Satterthwaite

Army Visit

The Army attended school today to oversee the Lateral Flow testing for staff. All were negative, which is fabulous. Hopefully, we will be able to have further training so that this can be a weekly occurrence for our staff.

Please be aware that the school crossing service will resume next week.

BIRTHDAYS

Dominic celebrates his birthday this week, we hope he enjoys his day.

Good Values & Merit Certificates

Next week, we will continue to recognise the children's achievements whether they are in or out of school. We will continue with the Good values and the Merit badges. However, they may not all link into our Gospel Values but staff will be more creative with their reasons for recognition and may well link into the Online Learning.

The achievement will be posted on the Newsletter and the teachers will be posting the Good Values and Merit certificates on the Google Class pages. Once the children return to school, they will be able to receive the Merit badge that was awarded.
