BIRTHDAYS

Lexi, Harriet, Samuel and Natalia celebrate their birthdays this week, we hope they enjoy their day

Inspirational Quote:

"Yesterday is gone. Tomorrow has not yet come. We have only today"
by Mother Teresa

Reception are so EGGcited

On Monday our 'living eggs' arrived, and the children in Reception have been buzzing with excitement and anticipation from the moment they saw the eggs in the incubator. On Wednesday morning four new chicks greeted the children as they started the school day and the children are just loving the whole experience - nature is truly amazing.

COVID 19 SYMPTOMS & TESTING

I appreciate that it is very difficult when children have colds, sore throats and a cough. The advice from Public health in Blackpool is that these are part of a list of low threshold symptoms and children should be taken for a PCR test.

As all our children have now returned to school, we want to be sure that we act quickly when potential COVID-19 cases are presented to us so that our school community continues to be safe and we are able to limit the chances of the bubbles being sent home. We acknowledge that the cases are declining but it is vital that we all play our part so St Bernadette's children can remain in education.

As a school, we are following guidelines - thank you for your support.

Low threshold symptoms:

- headaches,
- feeling unusually tired
- upset stomach,
- aches/pains,
- sore throat,
- runny nose or sneezing

PARENT TELEPHONE CONSULTATIONS

After Easter, we will be offering a telephone conversation, with parents, as part of the interim teacher consultation. **Today**, the office will send you a link to complete a Google Form Document with the relevant days and times.

Please complete the Google Form Document as soon as possible so we can organise and confirm an appointment with you.
