Internet Legends 3D Trophy

Your child will be bringing home an Internet Legends 3D trophy to build with the support of an adult at home. The is part of Google's Be Internet Awesome program, helping to develop children's understanding of digital citizenship and online safety. The programme is aimed at children in KS2, and offers 4 levels of play and learning.

Please use this link https://beinternetawesome.withgoogle.com/en_us/interland to explore Interland with your child and take some time to build your Interland trophy*.

*Please note: Interland is aimed at children in year groups 3 - 6, but we have secured enough trophies for every child in school to have one.
