### BIRTHDAYS

*Xavier, Jasmine, Lily Y6 & Scarlett celebrate their birthday this week, We hope they enjoy their day*

## Inspirational Quote:

*"Learning to think rigorously, so as to act rightly and to serve humanity better"*

*by Pope John Paul II*

### GOODBYE

Sadly, we say goodbye to another long standing governor. Warren Dale is stepping down from the Governing body after many years of service to our school. On behalf of the governor's, staff, children and parents, I would like to say a huge thank you for his dedication and support, especially during COVID, as his expertise on all things safeguarding has been invaluable for our school community. Warren has kindly offered to continue to advise and support us in this area – we are very grateful. As with all our governors, Warren has close links with the parish so we do not say goodbye entirely. We send our love and prayers from the St Bernadette's family.

### WELCOME

We welcome 2 new governors into our school. Mr Austin Manfredi and Mr Bernard Melling. Once again, we are grateful that people are prepared to voluntarily give their time to support our school community. Austin and Bernard bring with them a wealth of knowledge regarding school procedures and an abundance of enthusiasm; both are also very much part of the parish – thank you. Hopefully in the new term, you will have the opportunity to say hello.

We welcome back Year 3 today from their completed isolation period. Let us pray that we can continue to keep our school community safe as we move towards the end of term. Please can I remind parents to inform school immediately if their child develops symptoms whilst they are self isolating at home.

Thank you

### Reminder

The School photographer is in school on Monday. If your child has PE on that day, please can we ask children to come to school in their inform and bring their PE kit with them to change into.

Thank you

### Children aged four to 11 years Kidsclub, Norbreck School

Holiday Club is a time for fun and laughter. Children are grouped into ages. We tailor activities to meet children's developmental needs. We plan younger children's activities with the Early Years Foundation stage in mind. The wide range of activities we offer for all our children presents many benefits and includes sports, balance, coordination, teamwork, arts and crafts and creative activities. There is so much to do in our holiday club! Your child will have a great day with lots of time to play and have fun with

We are delighted to be given the opportunity for a representative from the Blackpool Community Trust to visit our school on Monday. They will bring with them the trophy awarded to Blackpool FC for their heroic 2-1 victory in the league 1 Play-Off. Each class will be able to have their photograph taken with the trophy.
