BIRTHDAYS

Tobias & Laila celebrate their birthday this week, We hope they enjoy their day

Inspirational Quote:

"We fear the future, because we are wasting today"
by Mother Teresa

Please check the dates and ensure that you have completed all Google forms for your child's school trip - Reception trip details will be sent out shortly.

Please continue to book your child's meal choice on Parent Pay. I cannot reiterate enough how important this is, as the kitchen staff need to order sufficient food and sadly, children are often upset as their first choice of food cannot be guaranteed - thank you for your cooperation.

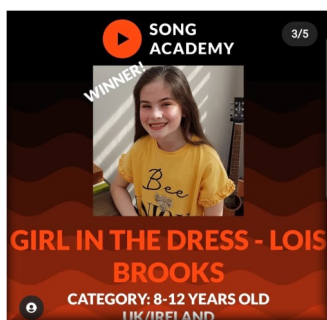

It was lovely to welcome and show the new Reception parents around our school. This was the second of three planned visits. Parents were very excited and enthusiastic about our school - it was heart warming to hear such positive comments.

Last week we had the great pleasure to welcome back Park Community Academy's fabulous brass band for an outdoor concert on the MUGA. They performed a number of pieces for us, including the Jurassic Park theme tune and, of course, some football songs. The children thoroughly enjoyed the concert. Thank you to Park for a wonderful, musical treat!

Children aged four to 11 years Kidsclub, Norbreck School

Holiday Club is a time for fun and laughter. Children are grouped into ages. We tailor activities to meet children's developmental needs. We plan younger children's activities with the Early Years Foundation stage in mind. The wide range of activities we offer for all our children presents many benefits and includes sports, balance, coordination, teamwork, arts and crafts and creative activities. There is so much to do in our holiday club! Your child will have a great day with lots of time to play and have fun with friends. Kidsclubs@kidspace.org.uk
