Year 4 trip to Bring Yer Wellies

On Friday 9th July, Year 4 went to Bring Yer Wellies which is an outdoor learning centre near Preston. We had a fantastic day finding out about how to care for plants, racing cork boats, pond dipping, planting herbs and learning about wormeries. We certainly enjoyed being in the great outdoors!

Reception trip to the Beach

Reception Class had a lovely time at the beach. They enjoyed talking about the coastline, sandy, pebbly, rubbish left behind and buildings they could see. The best bit was having fun in the sand - digging, building, collecting shells, finding sea creatures and of course -ICE-CREAM!

Year 1 & 2 Trip to Beacon Fell

Year 2 had a lovely time on our school trip to Beacon Fell. We enjoyed making some artwork in the style of Andy Goldsworthy, building dens for the animals that live in the forest and making a map of everything we could see around us. The sun was shining and everybody had lots of fun! Some of us even needed a nap on the way back! The children were a credit to the school!"

Year 1 had a great time on our school trip to Beacon Fell. We enjoyed searching the woodland for different wildlife, building our own bug hotels and drawing a map of everything we could see around us. We even squeezed a quick game of duck, duck goose in during lunchtime! On the way back to school, we sang lots of songs and reflected on our favourite activities.

White Rose Maths is offering **FREE** Maths workbooks to use at home. They can be collected from Morrisons stores from 2nd August at the 'Children's Little Library' stand <https://whiterosemaths.com/morrisons/>

**More summer

from White Rose Maths!

Congratulations

Congratulations to Bella from Year 6 who has been signed by Blackpool FC to join their Under 12s girls team! Bella attended two try out sessions and the coaches offered her a place on the spot, commenting that she is "a sensational talent."

Scientist of the Year

As a school, we are part of the Ogden Trust Partnership where we lucky to be offered different opportunities in Science. There is an annual award ceremony celebrating the work completed over the year. Congratulations to Ethan (Y2) for winning KS1 Scientist of the Year and Maisie (Y4) for winning KS2 Scientist of the Year. Both children show their enthusiasm for Science during lessons and are always asking scientific questions. Keep that inquisitive nature going!

Congratulations to Alaina (R) who completed her 10 and 15 metres Swimming

Congratulations to Mitchell, Jonah and Zachary (Y5) who have been awarded their Silver Music Medal for the Guitar. Well done boys!
