**Thank you for your support in following the rules which are keeping our school community safe. Please maintain this going forwards so we can continue to keep our school open and children learning.**

Across school, all classes will be engaging with learning linked to Black History Month. They will be learning about significant individuals and events which created change and inspired others. We hope the children will have lots of new knowledge to share.

Unfortunately, we will not be able to have our Harvest Assembly this year. However, we would still like to do organise a collection for the less fortunate. Please could you we ask for donations of any tinned produce, packets of pasta, rice, soups etc. Please send in-date, non-perishable items by next Friday 23<sup>rd</sup> October. The donations will be put in boxes and left to quarantine then delivered over the holiday. Our weekly praise assembly, with the children, will focus on the meaning of Harvest.
