

St Bernadette's Catholic Primary School

'Doing our best for God'

13th June 2022

Dear Parents,

We are very lucky at St Bernadette's to be part of the Ogden Trust partnership, meaning we are able to take part in different events and opportunities to enhance science teaching and learning.

On Monday 4th July, Year 4 have been offered an exciting opportunity to attend an event run by the Ogden Trust, where they will watch an exciting live science show presented by BBC's Marty Jopson.

The event will take place at Blackpool Sixth Form and will require a voluntary contribution of £4.00, per child, to cover the cost of the coach, to be paid via parent pay.

The visit will take place within the school day; setting off at 10am and returning by 12pm. Children will wear their school uniform (including their school jumper/cardigan with our school badge for easy identification). Lunches will not be affected as children will eat on their return to school.

Yours sincerely,
Miss Scarlett
