Congratulations to all of our young people in Year 6 who completed their KS2 SATs this week.

They all stepped up to the challenge and were truly amazing. It was no mean task after such a turbulent 2 years for them. I know they have all done their best and should be very proud of themselves.

A special thanks must go out to Miss Greenhalgh, Mrs Pinder and all the team who kept the children focussed, we even had a monitoring visit from the Local Authority – all in a day's work!

Remember

I just wanted to remind parents/ carers about the wealth of information on our school's website. This is a vehicle to support you to be more involved in your child's education.

We have links on the newsletter that take you directly to the school website, RE page, Wednesday Word and Living out our Faith page.

Each Year group has their own page, detailing the learning taking place throughout the terms, plus a wealth of further information to support you. Each page is continually updated with photographs, tips for homework and handy learning hints.

We have detailed subject pages, under the curriculum tab, so you are fully informed about the teaching and learning taking place.

We are confident that by navigating our school website, you will be enhancing the already established home school partnership, allowing you to be fully engaged in your child's learning.

Headteacher's Award

I am delighted to award two Head Teacher awards to two outstanding boys.

Finlay Potter has displayed selfless behaviour and is a credit to the school and his parents. He has donated £10 of his pocket money to support the homeless within Blackpool. Our Local café in Bispham, Salut hand out cups of coffee to the homeless and to champion this act of kindness, customers donate some of their money to support the business. Well done, Finlay – living out the Gospel Values, daily.

This week Mitchell Roney illustrated his true sense of character and resilience. Even though he and his family had not had the best of days, he was able to box his emotions, for a while, and continue to complete his Maths SATs paper (which he was looking forward to). I am super proud of you, Mitchell – well done!
