Welcome back everyone!

It was wonderful to see so many parents on the playground bringing their little ones back to school. The children have settled in well and have thoroughly enjoyed their freedom outside, socialising with other friends in the different year groups and becoming more familiar with the new routines within their class.

We have arranged 2 '**drop in meet the teacher sessions**' on Wednesday 22nd and Thursday 23rd September from 3.30 pm – 4.00 pm. This will provide you with the opportunity to have a look at your child's new classroom and have an informal chat with your child's teacher.

Over the next two weeks, from Monday 6th September, we welcome our new Reception class into school. Reception parents are welcome to join Mrs Duke and myself, in the small hall, every morning, for the first two weeks, for a coffee/tea welcome session from 9.20 am – 10.00 am. We hope you can join us.

We are at present formulating the school diary for the coming year ahead. As you can appreciate, all dates of the proposed events are subject to any changes the Government may impose on us, but hopefully the traditional Christmas nativities, Carol service and much more will be able to go ahead so all parents/carers can be fully involved in their child's educational experience this academic year.

Good Value Certificates, Merits & Good Behaviour Awards

All certificates and awards will be awarded at next week's Assembly
