

St Bernadette's Catholic Primary School

'Doing our best for God'

3rd January 2023

Dear Parents,

We are very lucky at St Bernadette's to be part of the Ogden Trust partnership, meaning we are able to take part in different events and opportunities to enhance science teaching and learning.

On Wednesday 1st March, Year 5 have been offered an exciting opportunity to attend an event run by the Ogden Trust, where they will listen to an interactive and engaging science talk by Tim Harnford, Sunday Times number one selling author, BBC Radio 4 presenter of more or less and author of Undercover Economist. The children will then all receive a signed copy of his book 'The Truth Detective.'

The event will take place at Blackpool Sixth Form College and will require a voluntary contribution of £4.00, per child, to cover the cost of the coach, to be paid via parent pay.

The visit will take place within the school day; setting off at 12.15pm and returning by 2.45pm.

Children will wear their school uniform (including their school jumper/cardigan with our school badge for easy identification). Lunches will not be affected as children will eat before they leave school.

Yours sincerely,
Miss Scarlett
