Saying Goodbye to the Chicks!

Today, Reception Class said goodbye to the chicks they have been looking after for 2 weeks. We have watched them hatch from their eggs, move from the incubator to the brooding box and grow bigger and stronger every single day. Reception class have been discussing 'life cycles' and looking after the chicks has really helped them learn more. As soon as the chicks grew big and strong enough, the children were able to hold them. What a lovely experience this has been for everyone. We will miss the chicks!

Please can I remind you all that dogs are not permitted anywhere on school premises, even when they are being carried. Thank you.
