

Clash of Colours!

Dear Parents / Carers,

Saturday 25th May will be the 35th anniversary of Elmer. As part of our continued efforts to raise funds for Brain House, we are going to have our own non-uniform day but with a bit of a twist.

On **Friday 24th May**, we would love for your children to come to school in a magnificent array of colours. This could be a combination of brightly coloured clothing, odd shoes and socks, colourful hair, hats or wigs and even face paints. In addition to this, children will be participating in Elmer related events within their class. There will be no P.E or Outdoor Learning taking place on this day.

At present, your donations have amounted to £328.74. We would appreciate any further monetary donations you can make to support Brian House in all their efforts and to reach their target of £850 per school contribution. Donations can be made via ParentPay or by sending money in a sealed envelope with your child.

We look forward to seeing your children's wonderful creations!

Many thanks,

The Pupil Voice team and Staff.
