## 'Doing our best for God'

---

Wednesday, 17<sup>th</sup> April 2024

Dear Parents/Carers,

To link with our current learning in class, we have a special visitor coming in with lots of other little visitors to bring the children's learning to life. Kelly from Hands on Animals will be coming into school along with a range of animals from snakes, cockroaches, tarantula, chinchillas, owls, geckos and many more for the children to handle, stroke and learn lots about.

We are asking for a kind contribution of £2 per child to go towards this experience. This can be paid for via Parentpay.

If you have any questions or queries about payment please don't hesitate to contact the office.

The experience will be happening on Friday 24<sup>th</sup> May. Any questions or queries please speak to us at the school gate at the end of the school day.

Thank you for your continued support.
