Polite reminder - Safeguarding.

Please can I remind parents that children are not allowed to play in the car park at the back of school before the gates are opened at 8.50 am; this car park needs to be accessed at all times. The problems seem to arise because some children are dropped off early before the school gates are opened at 8.50.

Please can I request that you are either supervising your children before the gates are opened, you drop your children off at 8.50 am so they are able to walk straight in or you use the breakfast club facilities. Staff are not on duty before this time and in the interests of safeguarding, I would appreciate your support with this matter. Thank you.
