Fairtrade Assembly—Cardinal Allen

We were fortunate to welcome a group of children from Cardinal Allen this week who have been actively learning about Fairtrade. They visited our school to share their experiences. During the assembly, our children learned about how Fairtrade helps to ensure that farmers and workers, particularly in developing countries, receive fair wages and work in safe conditions. They explained how buying Fairtrade products can make a positive impact on communities by supporting fair business practices and environmental sustainability. The children are now on the lookout for the Fairtrade sticker on all the goods that are available in the supermarket to purchase. Small acts of kindness impact peoples' lives around the world.

The climbing frame should only be used during school hours by staff supervision. Please do not allow your child to use this at pickup or drop-off. Thank you.

The new arrangement for swimming lessons seems to have been successful. I believe we have some very quick swimmers in Year 3 already – well done. Please can I ask that if your child is wearing a swimming cap, they come to the lesson wearing it as this saves time. If you have any questions, please contact school. Thank you.

Information was sent out this week about the Y6 Residential Trip to Borwick Hall.

Year 4 have jumped straight into their gymnastics unit for PE, starting of with some partnered balances. They have learnt about what is required for a strong, stable balance and how safely support their partners.
