Pupil Premium Impact Report for 2018-19

Year 7

Attendance and Punctuality

Groups	Cohort	Attendance		
		Avg % Att.	Pupils Persistent Absences	Avg Lates
Whole Cohort	232	96.8%	10	3.06
Pupil Premium	38	94.4%	7	3
Non Pupil Premium	194	97.3%	3	3.08

- Attendance is consistent with the earlier data review points.
- There are 7 persistent students who impact absences.
- PP average lates are in line with the non pp cohort of pupils.

Behaviours for Learning

Groups	Cohort	BfL				
			1	4	5	6
		Avg	in 3+ subjects		in any subject	
Whole Cohort	232	2.23	26.29%	3.02%	0.43%	232
Pupil Premium	38	2.37	10.53%	2.63%	-	38
Non Pupil Premium	194	2.2	29.38%	3.09%	0.52%	194

- An increase of 8% of pp students achieved a BFL 1 in the recent review point in comparison to the previous data drop. This is still not in line with the non pp cohort in terms of achieving a BFL 1 in 3 or more subjects.
- It can be noted that the amount of pupils who got a BFL4 in 3 or more subjects stayed roughly the same and no pupils in the pp cohort got a BFL 5 which was improvement to the last data drop and in comparison with the non pp cohort of pupils.
